

NEW PEUGEOT 3008

LIONS OF OUR TIME.

For 210 years, PEUGEOT has always upheld a French manufacturing tradition of quality and inventiveness. Today, PEUGEOT is more focused than ever on designing sleekly styled vehicles affording drivers a sensory experience that goes beyond driving by heightening all the senses.

From ergonomics to materials and connectivity, we have worked on each detail to bring you a more intuitive driving experience, because people have been and always will be our main focus.

REFINEMENT AND DYNAMISM.

The exterior design of the new PEUGEOT 3008 highlights its assertive character, balance of strength and smoothness. The powerful, refined front end of the 3008, with its frameless vertical grille and its wings in the extension, redefines the aesthetics of tomorrow.

STRONG PERSONALITY.

The lighting signature includes LED headlights emphasised by the "illuminated fang" daytime running lights, characteristically PEUGEOT and identifiable at first glance.

INCISIVE LIGHT SIGNATURE.

At the rear, the new PEUGEOT Full LED technology lights include characteristic 3D claws and scrolling indicators. The lights are covered with transparent smoked glass, extending the black boot strip on either side of the vehicle, which visually enlarges the rear of the vehicle for a sportier look.

EXCLUSIVE CHARACTER.

The 18" Los Angeles aluminium wheels, wide wheel arch protectors and solid doorsills enhance robust dynamism of the new PEUGEOT 3008.

THE UNIQUE EXPERIENCE OF THE PEUGEOT i-COCKPIT®.

The new PEUGEOT 308 invites you to discover its spectacular interior with its even more modern and top-of-the-range PEUGEOT i-Cockpit®. Its compact multifunction steering wheel offers more sensations and manoeuvrability. Its new 10" HD touch screen infotainment display comes with toggle switches giving quick and intuitive access to the various comfort functions.

HIGH QUALITY RENDERING.

Its 12.3" digital head-up cluster display is equipped with a high-quality display that can be easily configured and customised, so you don't have to take your eyes off the road.

ULTIMATE COMFORT.

Bathe in the light from the large panoramic sunroof. Watch the ingenious hands-free power tailgate open or close, making it easy to load all your items. All it takes is a swift foot motion under the bumper to activate it. Store your items depending on leisure activity and even load very long objects, thanks to the flat-folding "Magic Flat" system and its 60:40 fold-down rear seats.

ENHANCED EXPERIENCE.

The powerful 1.6L Twin Scroll Turbo High Pressure (THP) engine with Direct Petrol Injection and coupled with a 6-Speed Automatic (AT6 III) transmission, offer performance, fuel efficiency and driving pleasure. While Advanced Grip Control offers optimised traction control on roads or low-grip terrain.

INNOVATIVE TECHNOLOGY.

The numerous latest-generation driving assistance systems* in the new PEUGEOT 3008 further enhance on-board comfort and safety with: Blind Spot Monitoring, Active Lane Keeping Assist, Speed Limit Recognition and Driver Attention Warning.

* These systems are not a replacement for safe and attentive driving. Please drive carefully at all times and do not rely on technology to prevent an accident.

PEUGEOT 3008 TECHNICAL SPECIFICATIONS

VARIANT	Allure
Engine Type	1.6L, Twin Scroll Turbo High Pressure (THP)
POWERTRAIN	
Type	DOHC 16-Valve 4 Cylinder
Displacement (cc)	1,598
Maximum Power (Hp / RPM)	165 / 6,000
Maximum Torque (Nm / RPM)	240 / 1,400
Compression Ratio	9.2:1
Drivetrain	2WD
Transmission	6-Speed Automatic (AT6 III)
Fuel Type	Petrol
Recommended Fuel	Min. Ron95
Fuel System	Direct Injection
Fuel Tank Capacity (L)	53
CHASSIS	
Steering Type	Electric Power Steering
Parking Brake	Electronic Parking Brake
Suspension Type (Front / Rear)	MacPherson Struts / Torsion Beam
Brake Type (Front / Rear)	Ventilated Discs / Solid Discs
Wheel Type	Alloy (Los Angeles)
Wheel Size	18"
Tyre Size	225 / 55 R18
DIMENSIONS	
Overall Length x Width x Height (mm)	4,510 x 1,850 x 1,628
Wheelbase (mm)	2,730
Ground Clearance (mm)	198
Curb Weight (kg)	1,492
Boot Capacity (L)	591 (with 2nd row seats up) / 1,670 (with 2nd row seats down)
